00.56.10 DANIEL-Kasuf is family. I owe it to him.

01.01.24 GENERAL HAMMOND (OS)-I have nothing against your returning to Abydos,  
Doctor Jackson,...

GENERAL HAMMOND (CONT)-but Colonel O'Neill and Captain Carter are  
due in Washington. And I can hardly ask the President of the United  
States to...

GENERAL HAMMOND (OS CONT)-change his schedule.

01.12.17 DANIEL-Well, if I don't go back now, they will bury the gate for good. It's what  
I told them to do if I never came back. (BEAT) General, I lived among  
these people for over a year, and I couldn't possibly be safer than in  
the company of...

DANIEL (OS CONT)-Teal'c.

01.27.00 TEAL'C-Thank you, Daniel Jackson.

01.23.20 DANIEL-You're welcome.

01.29.23 TEAL'C-Daniel Jackson assures me that the Abydonians are a peaceful  
people.

01.33.03 O'NEILL-They're a *great* people. Are you kidding?  
(BEAT, TO CARTER)-In fact, whatta you say you and I blow off this  
metal ceremony thing and go with the boys.

01.43.16 GENERAL HAMMOND-You may leave when ready.

02.00.27 O'NEILL-So, we'll come pick you up in a couple of days.

02.03.11 DANIEL-And say hi to the President for me.

02.06.13 O'NEILL-Will do.

02.31.00 DANIEL-Don't be afraid, good...  
DANIEL (OS CONT)-Father.  
DANIEL (CONT)-This is Teal'c.

02.37.10 TEAL'C (OS)-*Tal mal tiak*,...  
TEAL'C (CONT)-*mal we-ia*. (THEN, WITH A BOW)-I am honored.

02.45.02 KASUF-*Bai ah kawk ma tee*.

02.56.10 DANIEL-Good Father, I ask your forgiveness. I have returned without  
your daughter.

03.01.23 KASUF-So it is.

03.04.02 DANIEL-I fear that my search will continue for many seasons.

03.09.23 KASUF-Come.

03.34.07 DANIEL-Sha're?!

**END OF TEASER.**

04.54.21 KASUF-No! Take my life in exchange.

04.58.11 DANIEL-Nobody's killing anybody!

05.01.24 TEAL'C-Sha're is no longer your daughter.

05.04.03 DANIEL-Kasuf, we're in danger. How long has she been here?

05.06.09 KASUF-More than a season.

05.07.20 DANIEL-What?!

05.08.12 KASUF-Why are we in danger?

05.10.00 SHA'RE-Husband?

05.11.09 DANIEL-I am *Sha're's* husband. Who are...  
DANIEL (OS CONT)-you?

05.15.03 SHA'RE-My Daniel... Please.

05.17.02 TEAL'C-Come no further.

05.19.15 KASUF-Good son... Do your eyes not see?

05.22.08 DANIEL-Sha're has been taken by a Goa'uld.  
DANIEL (OS CONT)-A *demon*...  
DANIEL (CONT)-now lives within her, one of great power and evil.

05.30.11 SHA'RE-He speaks the truth, Father.

05.32.12 KASUF-You said you returned to me.

- 05.34.18            SHA'RE-And I have --
- 05.35.15            DANIEL-Stop it! Okay? Just stop it! You can't fool me! I *know* what you are,  
                         I've *seen* what you are!
- 05.41.07            SHA'RE-Please, believe me!
- 05.42.24            DANIEL-No.
- 05.44.21            SHA'RE (OS)-The demon sleeps...  
                         SHA'RE (CONT)-because I am with child.
- 05.53.05            SHA'RE (OS CONT)-Hear me, husband.  
                         SHA'RE (CONT)-The Goa'uld that has stolen my soul is called Amaunet.  
                         She sleeps for the sake of the...  
                         SHA'RE (OS CONT)-child.
- 06.04.05            DANIEL-Why?
- 06.05.12            SHA'RE-If she awakens, the child will come forth stillborn.
- 06.10.28            TEAL'C-I have never known a Goa'uld to father a human child.

- 06.16.16 DANIEL-Apophis is the father?
- 06.21.27 SHA'RE (CRYING)-Yes.
- 06.24.09 TEAL'C-Then Apophis is here also?
- 06.26.24 SHA'RE (CRYING)-No. He has hidden me away. He does not want to reveal  
the true purpose of this child to his enemies.
- 06.37.11 DANIEL-What true purpose? (BEAT) Sha're...! What does Apophis want  
with a human child?
- 06.49.03 SHA'RE (THROUGH TEARS)-He wishes the child to one day become his  
new host.
- 06.58.18 DANIEL-Is that true?
- 07.04.11 Sha're...! (BEAT) Is that true?!
- 07.14.12 SHA'RE-Yes.

07.56.25 O'NEILL-You know, I can navigate my way across a galaxy, but I get lost every time I come to Washington.

08.05.00 CARTER-Don't worry, sir, these are my old stompin' grounds.

08.08.04 O'NEILL-Sorry to hear that.

08.09.17 CARTER-Two years at the Pentagon trying to make the Stargate program a reality. I'd say it was time well spent, considering.

08.14.21 O'NEILL-You think?

08.31.10 CARTER-I see General...

CARTER (OS CONT)-Hammond's already doing the rounds.

08.34.05 O'NEILL-Oh, yeah. He's a player. He knows how to work a room.  
Punch?

08.39.10 CARTER-Yes, sir. Thanks.

08.51.27 Dad?

09.00.20            SHA'RE-Daniel no longer loves me.

09.05.19            TEAL'C (OS)-You are incorrect.  
TEAL'C (CONT)-Daniel Jackson cares for you greatly.

09.12.29            KASUF-He does not behave as a husband.

09.16.08            SHA'RE-I have seen your face before.

09.18.29            TEAL'C-As First Prime of Apophis, I was present when the Goa'uld invaded  
                         your body. For my part, I can only ask your forgiveness.

09.29.11            SHA'RE-No. It is more.  
SHA'RE (OS CONT)-You are the traitor.  
SHA'RE (CONT)-Teal'c?

09.39.00            TEAL'C-That is correct.

09.40.24            KASUF-How can you know this?

09.47.18            SHA'RE-My mind is full of images:...  
SHA'RE (OS CONT)-Apophis railing and cursing your name.

SHA'RE (CONT)-His place among the system lords is no more.

09.57.24 TEAL'C-Then these are the memories of the Goa'uld that now sleeps  
within you.

10.01.11 SHA'RE-Yes.

10.23.27 TEAL'C-This is most difficult. (BEAT) Daniel Jackson... We must return  
with Sha're...

TEAL'C (OS CONT)-through the Stargate immediately.

10.37.07 DANIEL-Why?

10.39.02 TEAL'C-As long as the Goa'uld within her sleeps, Sha're shares its  
memories.

10.43.24 DANIEL-So? So what?

10.46.05 TEAL'C-It would be of great strategic benefit to have access to the Goa'uld  
genetic memory...even for a few days.

10.53.06 DANIEL-What? (BEAT) Access?

11.01.28 Do you know who it is we're talking about?

11.04.08 TEAL'C-I do. And soon she will give birth.

11.11.00 DANIEL-Well, hasn't she gone through enough?! I mean, what are you  
talking about here, Teal'c, handing her over to Maybourne for study?!

11.20.05 TEAL'C-The knowledge she possesses could one day save your world.

11.22.13 DANIEL-I don't care! I will not put her through that, too! I'm sorry.

11.34.07 TEAL'C-More sorry for yourself, it appears, than for Sha're. (BEAT)

Within a matter of days, Sha're will give birth.

TEAL'C (OS CONT)-The Goa'uld within her will awaken. Apophis will  
take this child and leave Abydos forever.

TEAL'C (CONT)-That is the fate you choose for Sha're by allowing her to  
stay.

12.05.09 DANIEL-Then I'd like a moment with my wife. Alone.

- 12.23.29           GENERAL HAMMOND (OS)-I invited Jake...  
GENERAL HAMMOND (CONT)-myself, Captain. I thought you might  
                  enjoy the...  
GENERAL HAMMOND (OS CONT)-surprise.
- 12.28.13           CARTER-Really, sir, that's sweet.
- 12.30.17           JACOB (OS)-George and I served together back...  
JACOB (CONT)-when the Air Force really was this...  
JACOB (OS CONT)-country's first line of defense.
- 12.35.03           CARTER-It still is.
- 12.36.04           JACOB-Of course it is. I was talking about when the cold war was...  
JACOB (OS CONT)-still...  
JACOB (CONT)-Anyway, when George told me you were up for the air  
                  medal for your work in – (TO HAMMOND)-What the hell was that  
                  again?
- 12.49.24           CARTER-Analysis of deep space radar telemetry.
- 12.50.18           JACOB-Riiiiight...

12.58.25 O'NEILL-Sam...

12.59.26 CARTER-Thank you, sir.

13.01.00 GENERAL HAMMOND-Colonel Jack O'Neill; Jacob Carter.

13.04.08 O'NEILL-Carter? As in...?

13.06.19 CARTER-As in my father, sir, yes.

13.09.00 O'NEILL-Get outta town! Sam's dad. I've heard nothing about you, sir.

13.14.22 JACOB-What's there to say about an old General waiting to retire?

13.15.15 CARTER-Dad, I talk about you all the time.

13.19.14 O'NEILL-I retired myself one time. I couldn't stay away.

13.24.20 JACOB-From your analysis of deep space radar telemetry, you mean.

13.29.14 O'NEILL-Well, it's just so damn fascinating.

- 13.31.25 JACOB (OS)-Well, I'm sure it is.  
JACOB (CONT)-Otherwise you wouldn't be receiving the air medal.
- 13.37.11 O'NEILL-We have our moments. (BEAT) Um, will excuse me? We just  
don't get out of Cheyenne enough. I'm gonna grab some air. Outside.  
General, Captain, General -- Waiter --...
- 13.53.08 GENERAL HAMMOND-I guess I'll go make the rounds.
- 13.59.08 JACOB-Just between us, your cover stories could use a little polish.
- 14.04.03 CARTER-Sorry, Dad, I don't know what you're talking about.
- 14.06.18 JACOB-Of course not. I'm out of line. (BEAT) But whatever it is you  
really analyze in that mountain, deep space or no deep space, it can't  
be as exciting as the real thing. I'm talking about getting you into  
NASA, Sam.  
JACOB (OS CONT)-I'm talking about you...  
JACOB (CONT)-actually *going* to space some day.
- 14.57.09 SHA'RE-You hate me.

14.59.04 DANIEL-No. No, I *love* you.

15.00.24 SHA'RE-Will you forgive me?

15.05.26 DANIEL-Oh, God.

15.14.24 There's nothing to forgive.

15.21.25 SHA'RE-I am so ashamed.

15.29.21 DANIEL-I *hate* what's been done to you.

DANIEL (OS CONT)-I *hate* what Apophis plans for the child growing inside  
you.

DANIEL (CONT)-Look at me.

15.51.13 I love you. (BEAT) Everything else...

16.06.28 DANIEL (OS CONT)-I love you.

16.17.27 SHA'RE-Will you stay?

16.20.26 DANIEL-I can't. (BEAT) Because I want you to come home with *me*.

16.44.17 JACOB-I made a call to Bollinger himself. Head of NASA?

- 16.48.00 CARTER-I know –
- 16.49.11 JACOB-I told him that you'd wanted to become an astronaut since  
you were a little girl, and that you'd given up –
- 16.53.17 CARTER (INTERRUPTING)-I didn't give up –
- 16.54.01 JACOB (OVERLAPPING)-Let me finish... ...that you gave up waiting for  
the Shuttle program to be reinstated after the Challenger disaster.
- 16.59.09 CARTER-It was bad timing.
- 17.00.09 JACOB-Yes. Well, I called in a few markers. I filled him in on your  
qualifications. You apply again as an airforce Nominee, young lady,  
and I think you'll find NASA supportive.
- 17.13.27 CARTER-There's a waiting list a mile long.
- 17.15.22 JACOB-Not for you.
- 17.17.28 CARTER-Dad, you can't do that.

- 17.19.06 JACOB-I did.
- 17.20.04 CARTER-Without talking to me first.
- 17.23.02 JACOB-You're telling me you don't want this? They know what you're  
capable of offering the Space program, Samantha. They want you.
- 17.31.02 CARTER-That's not the point. The work I am doing right now is very  
important to me.
- 17.35.11 JACOB-It's not your *dream*...
- 17.38.04 CARTER-Let's just leave it at that, please.
- 17.40.26 JACOB-At least talk to the man. Do that much for me.
- 17.47.01 CARTER-I knew sooner or later you'd make this about you.
- 17.50.25 JACOB-All right.
- 17.52.22 CARTER-Dad, it's not that I don't appreciate it –

17.54.00 JACOB (OVERLAPPING, INTERRUPTS)-I said all right. I'll catch up with you  
after the ceremony.

18.11.03 ARMIN-Colonel Jack O'Neill, right?

18.15.20 O'NEILL-I'm not sure.

18.19.00 ARMIN-You are one hard man to find, let me tell you.

18.24.11 O'NEILL-Who are you?

18.26.07 ARMIN-Armin Selig.  
ARMIN (OS CONT)-I'm a journalist.  
ARMIN (CONT)-I'll have a beer.

18.34.03 O'NEILL-Why don't you have mine? I haven't touched it.

18.38.15 ARMIN-Heading back to the Stargate so soon?

18.41.21 O'NEILL-What?

- 18.44.05 ARMIN-Big, round, grayish thing. Can't miss it.
- 18.47.23 O'NEILL-I don't know what that is.
- 18.49.24 ARMIN-Before you go, Colonel, maybe you should hear this. I knew you  
were coming here, so I planned ahead. And I got a little lucky.
- 18.58.21 O'NEILL (VO FILTERED)-You know, I can navigate my way across a  
galaxy, but I get lost every time I come to Washington.
- 19.04.07 CARTER (VO FILTERED OVERLAPPING)-Oh, don't worry, sir, these are  
my old stompin' grounds.
- 19.07.26 O'NEILL (VO FILTERED)-My condolences.
- 19.09.16 CARTER (VO FILTERED)-Two years at the Pentagon trying to make the  
Stargate a reality. I'd say it was time well spent, considering.
- 19.15.03 O'NEILL (VO FILTERED)-You think?

- 19.17.07 ARMIN-This isn't all I've got to go on, mind you. I have a source who told me all about a device that can send people halfway across the galaxy and back again. (BEAT) Just looking for a little confirmation.
- 19.31.23 O'NEILL-Parabolic microphone, across the square maybe?
- 19.36.08 ARMIN-Something like that.
- 19.39.02 O'NEILL-Technology, huh. Well, listen, I don't know who your *source* is, but I'm a Colonel in the U.S. Air Force. A C-5 *Galaxy* is a transport aircraft, one of the largest in the world. That's what I was referring to.
- 19.52.22 ARMIN-And the Stargate?
- 19.55.27 O'NEILL-You got me on that one.
- 20.06.04 SHA'RE (VO)-After the child is born,...
- SHA'RE (CONT)-the demon within me will awaken again. She will punish the child for my disobedience.
- 20.13.10 TEAL'C (OS)-We would not allow that to happen.
- TEAL'C (CONT)-The Goa'uld will have become our prisoner.

20.17.08 DANIEL-We'll have time together until the child is born. There will also be questions asked of what you remember of the Goa'uld, but I will be there the whole time. I won't let them hurt you. (BEAT) We can study what keeps the Goa'uld dormant – there may even be a way we can remain together.

20.32.22 KASUF-Apophis will return. If she is gone, he will destroy the whole village.

20.38.12 TEAL'C (OS)-Tell them an enemy of Apophis came...  
TEAL'C (CONT)-and stole Sha're and the child away.

20.42.27 KASUF-And it will be the truth. Yes? (BEAT) (TO SHA'RE)-Go with them.

20.48.28 DANIEL-You can't just *tell* her like that.

20.52.01 KASUF-I am her father...

20.55.02 DANIEL (OS)-Sha're,...  
DANIEL (CONT)-I won't force you.

21.01.12 SHA'RE-Once the demon returns... Will I be with you then?

- 21.06.02 DANIEL-No. Until we could find a way to remove the Goa'uld from within you, they would lock you up in a cell.  
DANIEL (OS CONT)-That's something like a cage.
- 21.15.07 TEAL'C (OS)-So the Goa'uld within you...  
TEAL'C (CONT)-will not harm others.
- 21.20.00 DANIEL (OS)-Look, I won't pretend this is going to be easy.  
DANIEL (CONT)-But, at least this way, Apophis will not be allowed to hurt you – *or your child* – ever again.
- 21.32.03 SHA'RE-Then I will come with you, my Daniel.
- 21.38.04 TEAL'C (OS)-Apophis may...  
TEAL'C (CONT)-return at any moment. We must leave now.
- 21.42.20 GENERAL HAMMOND-He's got a great hand speed, and he can really snap the jet, when he was getting on a fall or not...(SOUNDS LIKE)  
(TRAILS OUT, UNINTELLIGIBLY)
- 21.52.07 O'NEILL (OVERLAPPING)-General.. A moment, please?

21.55.08 GENERAL HAMMOND-Excuse me...

21.58.05 O'NEILL-We've got a problem, sir...we've sprung a leak. Apparently,  
someone with knowledge of the program talked to a reporter.

22.08.11 GENERAL HAMMOND-This reporter approached you?

22.09.17 O'NEILL-Yes, sir.

22.10.01 GENERAL HAMMOND-And you said?

22.12.10 O'NEILL-I denied everything. He didn't buy it.

22.15.19 GENERAL HAMMOND-Well, how much does he know?

22.17.21 O'NEILL-Well, if he knows me, they knew how to find me here. *A lot.*

22.22.05 GENERAL HAMMOND-Then you're right. We've got a problem.

22.31.00 SHA'RE-Daniel, do you hear it?

- 22.32.22 DANIEL-Hear what? What's wrong?
- 22.43.12 KASUF-Ben ma ha...
- 22.47.02 TEAL'C-A Goa'uld ship approaches.
- 22.55.07 DANIEL-Sha're, what's wrong?!
- 22.59.07 SHA'RE/AMAUNET (ELECTRONICALLY DISTORTED)-My Lord comes  
for me!
- 23.02.22 DANIEL-No! Sha're, fight this thing. You have to hold on a little longer.  
Please!
- 23.11.23 SHA'RE-Daniel?
- 23.15.00 DANIEL-It's okay. It's gone now.
- 23.16.20 SHA'RE-DANIEL! DANIEL!
- 23.19.28 DANIEL-Teal'c! I think she just went into labor!

- 23.23.09           TEAL'C-The Goa'uld's return may have induced it!
- 23.27.02           SHA'RE (OS)-Daniel!
- 23.34.05           TEAL'C-Daniel Jackson! We must leave now!
- 23.58.23           RYN'TAK-My Lord. Someone attempted to flee through the Stargate.  
                          They did not have time to escape.
- 24.05.03           HERU-UR (ELECTRONICALLY DISTORTED)-Find Apophis' Queen.
- 24.14.05           CARTER-Say he runs his story. How bad could it get?
- 24.16.08           GENERAL HAMMOND-Bad. The domestic repercussions alone... Half  
                          the government would want to bury it, the other half would want a piece  
                          of it. Add to that the international fallout once Russia and China find  
                          out we've been keeping it from them.
- 24.27.00           CARTER-Proof of the existence of Aliens, hundreds of other worlds  
                          populated by ancient human...  
                          CARTER (OS CONT)-cultures.

24.31.16 O'NEILL-I don't see the problem.

24.34.06 CARTER (OS)-I can't help but wonder...

CARTER (CONT)-who the source could be.

24.36.24 O'NEILL-Any one of *hundreds* of people.

24.38.26 CARTER-I have a hard time believing it's one of ours. Every member of  
the SGC knows how important our work is.

24.44.08 GENERAL HAMMOND-I agree with Captain Carter. It's much...

GENERAL HAMMOND (OS CONT)-more likely political.

24.47.04 CARTER-Senator Kinsey?

24.48.21 O'NEILL-Well, if *he* knows, at least a dozen sycophants know.

24.51.22 GENERAL HAMMOND (OS)-Civilians sign non-...

GENERAL HAMMOND (CONT)-disclosure statements. Technically, that  
makes them liable to...

GENERAL HAMMOND (OS CONT)-prosecution under the Espionage Act.

24.58.08 O'NEILL-So, what do we do, sue 'em?

25.00.21 GENERAL HAMMOND-There's still some time before the ceremony,  
Colonel. I'd like to know how much he knows before he goes to print.  
GENERAL HAMMOND (OS CONT)-Do you know how to find him?

25.08.27 O'NEILL-I'll let him find me, sir.

25.14.20 DANIEL (OS)-It's okay. When the...  
DANIEL (CONT)-pain comes, you have to breathe.

25.16.28 SHA'RE-It comes too soon.

25.19.07 DANIEL-The baby will be fine. You just have to worry about getting through  
this yourself.

25.21.14 SHA'RE-When the child comes forth, the demon will return.

25.24.13 DANIEL-I know.

25.25.13 SHA'RE-Apophis comes for me.

- 26.03.27           TEAL'C (OS)-The moment...
- TEAL'C (CONT)-the child is born, the Goa'uld within her with re-emerge.
- 26.08.17           DANIEL-I said I am *not* leaving her, Teal'c.
- 26.16.05           TEAL'C-Then I will do what I can to keep the Horus Guard away from you.
- 26.31.16           SHA'RE-You *do* love me.
- 26.34.24           DANIEL-Yes, I do.
- 27.12.12           ARMIN-Looking for me? Find out what the reporter knows while your  
                  people check on his credentials.
- 27.20.10           O'NEILL-Ah, that's a cliché, Armin.
- 27.22.22           ARMIN-I'm very good at this, Colonel. I've been doing it for a while.  
                  Granted this'll be the biggest story I've ever broken, but then, it's the  
                  biggest story anyone's broken. Isn't it?
- 27.33.11           O'NEILL-Tell me.

- 27.36.01 ARMIN-Look, I've got all I need. I don't need you. But I got to admit, I wanted to meet you anyway. When this breaks, you're gonna be a hero.
- 27.43.26 O'NEILL-Cool. What're you gonna say about me?
- 27.48.10 ARMIN-Subtle. Okay, I'll do you a favor. You're the team leader of a unit called SG-1. Between nine and twelve such units operate out of Cheyenne mountain, *under* Norad. You use a device called a *Stargate* to travel light years from here.
- 28.09.23 O'NEILL-Wow. That's pretty amazing.
- 28.17.06 ARMIN (OS)-The program...  
ARMIN (CONT)-costs just over seven billion, but the defense department hopes to bring back superior technologies to offset the expenditure.
- 28.24.07 O'NEILL-Armin, let me do *you* a favor. You don't know *anything*. Don't embarrass yourself.
- 28.32.24 ARMIN-I know those two brilliant flashes in the night sky a few months ago were really alien ships on their way to attack Earth. You blew them up.

- 28.40.25 O'NEILL-I did. All right, if you're gonna go ahead with it, I wanna make sure you get one thing right. It's O'Neill, with two "l's". There's another Colonel O'Neil with only one "l", and he has no sense of humor at all.
- 29.03.17 ARMIN (OS)-The story's going to run,...
- ARMIN (CONT)-Colonel.
- 29.05.18 O'NEILL-It'll read like science fiction, Armin.
- 29.07.28 ARMIN-This country has no official secrets act.
- 29.10.03 O'NEILL-I know that.
- 29.11.09 ARMIN-You can't stop me.
- 29.12.00 O'NEILL (OVERLAPPING)-I know that too.
- 29.14.01 ARMIN (OS)-You don't think anyone will believe it.
- 29.16.01 O'NEILL-I'm sure someone *will*. But it's not me.

- 29.21.18 ARMIN-We'll see.
- 29.29.12 That's two "I's", right?
- 29.34.11 MAN ON STREET (OS MUFFLED)-Hey, look out!
- 29.41.23 O'NEILL-You, 9-1-1, ambulance now! (TO ARMIN)-Don't move. Don't  
try to move.
- 29.47.07 ARMIN (MOANS IN PAIN)-You did this...
- 29.49.01 O'NEILL-No. We didn't do this.
- 29.53.00 ARMIN-You son of a...
- 30.14.08 RYN'TAK-My...  
RYN'TAK (OS CONT)-Lord. I have...  
RYN'TAK (CONT)-questioned many in the city. Apophis' Queen is here as  
you suspected, Lord.
- 30.21.22 HERU-UR-Apophis will return through the Stargate to claim his child.
- 30.25.04 RYN'TAK-We shall be here, my Lord.

- 30.27.15           HERU-UR-His Queen and child are to be taken alive.
- 30.34.03           RYN'TAK-Where is your daughter?
- 30.36.26           KASUF-I cannot tell you what I do not know.
- 30.44.25                    What? Would you have me lie?
- 30.48.24           TEAL'C-Jaffa!
- 30.59.03           CARTER-Dad? I've been looking all over for you.
- 31.04.00           JACOB-You must be disappointed. Any idea why the President canceled?
- 31.8.05            CARTER-Colonel O'Neill witnessed an accident – the President couldn't  
                          adjust his schedule. Bad timing all around. General Hammond's gonna  
                          present us with the medals at a private ceremony back at the base.
- 31.18.27           JACOB-Well, it's the honor that matters. Whether I can be there or not...
- 31.22.22           CARTER-Dad...

31.23.24 JACOB-I have cancer, Sam.

31.27.08 CARTER-What?

31.28.07 JACOB-Lymphoma.

31.32.00 CARTER-That's bad.

31.33.07 JACOB-Well, it's not *good*. But it's not the worst. Don't you worry. I'm  
gonna be around for a while.

31.39.09 CARTER-Oh, God, Dad...

31.48.20 JACOB-I was hoping to stick around long enough to see you become an  
astronaut.

JACOB (OS CONT)-Sweetheart, I don't care what it is you...

JACOB (CONT)-do in that mountain, *nothing in the world* could live up to  
the chance of actually going to space.

JACOB (OS CONT)-Not for you. It's something you've wanted your whole  
life.

JACOB (CONT)-And I admit it, I want to see you fulfill your life's dreams  
before I die.

32.12.25 CARTER-But it's *my* dream. Doesn't that make it up to me?

32.15.16 JACOB-Fathers have dreams too.

32.20.07 CARTER-I'm sorry, I can't.

32.25.23 JACOB-AI right. (BEAT) Like I said, this thing's gonna go on for months.  
So you don't have to check up on me tomorrow or anything.

32.35.24 CARTER-Dad, please don't go like this.

32.07.17 JACOB-Congratulations on the medal. I'm sure you deserve it.

32.43.15 CARTER-Dad...!

32.55.27 SHA'RE-DANNIELLLL!!!

32.57.15 DANIEL (OS)-It's all right, Sha're, push!

32.59.18 SHA'RE-NO! The demon will come back!

- 33.01.20 DANIEL (OS OVERLAPPING)-You have to push!
- 33.03.24 SHA'RE-But I will lose you, Daniel! Please!
- 33.06.15 DANIEL-Look at me...
- 33.07.15 SHA'RE-AHHHH, please!
- 33.09.00 DANIEL-LOOK AT ME! I love you. I will always love you. You understand?  
DANIEL (OS CONT)-The Goa'uld will never be able to take that away from  
us, do you understand?  
DANIEL (CONT)-Never.
- 33.19.20 SHA'RE-Daniel, the pain comes again...!
- 33.22.02 DANIEL-I'm here...
- 33.24.29 SHA'RE-DANIEL!  
SHA'RE (OS CONT)-DANIEL!
- 33.26.24 DANIEL (OVERLAPPING)-I'm here! And now the baby's here! Now, you  
have to push!

33.36.00           SHA'RE-Forgive me...

33.44.06           DANIEL-It's a boy! It's a boy...

33.51.29           SHA'RE/AMAUNET (ALTERED)-Give me the child.

34.02.19           TEAL'C (ALTERED)-Bring me the child of Apophis.

34.20.18           SHA'RE/AMAUNET (OS)-Apophis, my Pharaoh,...

                    SHA'RE/AMAUNET (CONT)-will destroy you both for this.

34.24.06           TEAL'C (ALTERED)-Tell him Heru-ur has taken his son as his own.

34.36.04                       (NORMAL VOICE)-We have little time.

34.46.15                       We must go.

34.58.23           DANIEL-He's your grandson.

35.05.21           KASUF-He is beautiful. Yes?

35.08.25           DANIEL-Yes, he is. You cannot remain here, good Father. You must go  
                    into hiding.

35.16.24 KASUF-You are telling me that the demon has returned to reclaim my daughter.

35.20.15 DANIEL-Yes.

35.24.05 KASUF-I will need a nursing woman.

35.26.02 TEAL'C-You must find one whom you can trust. One who is not afraid of hardship.

35.35.02 KASUF-So it may be that I will never see my daughter again.

35.38.24 DANIEL-Sha're is strong, good Father. She will not give up. And neither will I.

35.56.24 GENERAL HAMMOND (OS)-Colonel Jack O'Neill, Captain Samantha Carter. You have distinguished yourselves...

GENERAL HAMMOND (CONT)-by heroism involving voluntary risk of life.

GENERAL HAMMOND (OS CONT)-Against impossible odds, with only the...

GENERAL HAMMOND (CONT)-help of your team members Teal'c and Doctor Daniel Jackson, you destroyed both Goa'uld space craft that were poised to attack this world. Your exemplary courage and heroism reflect great...

GENERAL HAMMOND (OS CONT)-credit upon yourself and the United States Air Force.

36.30.16 CARTER-Thank you, sir.

36.32.20 GENERAL HAMMOND-I'm only sorry the accident made it impossible for the President himself to do this.

36.38.20 CARTER-I beg to differ, sir. It's an honor to receive it from you.

36.43.11 GENERAL HAMMOND-Congratulations, Captain. I know Doctor Jackson is expecting you on Abydos. You may ship out when ready.

36.50.15 CARTER-I'll be geared up and ready to go in ten minutes, Colonel.

36.57.10 GENERAL HAMMOND-Dismissed.

37.10.27 *It was an accident.*

37.16.13 O'NEILL-Yes, sir.

37.30.02 TEAL'C-My Lord!

37.33.27 HERU-UR-*Kel shak, Jaffa?*

37.35.23 TEAL'C-*Kel shak, Heru-ur.* Serpent guards of Apophis have taken the  
child.

37.43.05 HERU-UR-Who is this human?

37.44.15 TEAL'C-He claims his people are the Tauri,...

TEAL'C (OS CONT)-enemies of Apophis.

37.48.24 HERU-UR-You? Among the Warriors who defeated Apophis?

37.52.15 DANIEL-As a matter of fact, I was. (BEAT) The Tauri are stronger than  
you think. An alliance would prove extremely useful to both of us.  
Against our common enemy.

- 39.50.06 HERU-UR-You'll pay for this insolence!
- 40.09.22 CARTER (OS)-Teal'c?
- 40.11.00 O'NEILL-Would somebody explain to me what just happened?
- 40.13.13 TEAL'C-It is a lengthy tale, O'Neill.
- 40.15.16 O'NEILL-*Long story*, Teal'c.
- 40.17.07 CARTER-It's a good thing you remembered their shield's deflection  
capability is directly proportional to the amount of kinetic energy  
directed at it.
- 40.25.02 O'NEILL-Right. We should get outta here.
- 40.29.17 TEAL'C/DANIEL-Apophis.
- 40.30.17 O'NEILL-*What?!*
- 40.31.25 TEAL'C-We must cover ourselves.

- 40.56.21 APOPHIS-*Jaffa, Kel, Amaunet.*
- 40.59.16 SHA'RE/AMAUNET (OS)-I am here, my Pharaoh.
- 41.17.01 APOPHIS-The child?
- 41.20.24 SHA'RE/AMAUNET-Stolen by your enemy, Heru-ur. Forgive me, my  
Pharaoh, for failing you.
- 41.37.18 APOPHIS-*Jaffa shal tek!*
- 41.57.10 Come home with me, my Queen.
- 42.16.09 CARTER-Sir, there's still a Goa'uld ship on top of us.
- 42.19.20 O'NEILL-Dial us home, Captain. Please.
- 42.27.19 You all right?
- 42.23.17 DANIEL-No. No, I'm not. (BEAT) But I will be.
- 42.38.05 TEAL'C-She looked directly at us, Daniel Jackson. But she did not reveal  
our position.

42.50.09 O'NEILL-Let's go home.

43.01.26 FADE TO BLACK.  
END TITLE CARD.

43.08.28 END CREDITS.

44.19.00 END OF EPISODE #8912.
